Consent form
Use of images of children

Friends of the Earth are keen to obtain photographic images from the following activity: *[insert details]*

After the images have been received by *[insert local group name]* Friends of the Earth, we will then select a range of photographs that could potentially become 'approved pictures' for use in our publications and on our website.

..... Friends of the Earth will not make direct financial gain from the images. They will not be used in advertising, or for direct fundraising and appeals purposes.

These images will be for Friends of the Earth use only (and may be used in conjunction with our Press releases to media) and will remain copyright of the photographer.

I do hope that you will be able to offer consent for the images.

Many thanks,
